Bangkok Bank joins with Sansiri to launch a special home loan campaign

Bangkok Bank Executive Vice President Kelvin Foo (middle), and Sansiri Assistant Executive Vice President – Finance and new business development division Varangkana Artkarasatapon (right) have launched a home loan campaign with a special interest rate for office employees. Customers can enjoy the special rate throughout the length of the loan term. The campaign offers a step installment scheme that allows customers to pay interest-only during the first year. The repayment rate gradually increases every five years in line with customers' incomes. Interested persons can contact Bangkok Bank at any branch for more information or call 1333.
