

Josua Pardede currently serves as Chief Economist at PT Bank Permata Tbk. (PermataBank), a position he has held since 2014. He has been appointed Vice Chair of the Standing Committee on Strategic Global Economic Studies at Kadin Indonesia for the period 2024–2029, and Member of the Focus Group on Monetary and Macroprudential Policy at the Indonesian Economists Association (ISEI) for the period 2024–2027. Josua was also appointed as a Member of the Statistics Community Forum (Forum Masyarakat Statistik) for the 2025–2026 term, and has served as part of the Economist Team at PERBANAS (Association of Indonesian National Banks) since 2020. Prior to his current role, he gained professional experience across several institutions, serving as Senior Economist at Maybank Indonesia (2013–2014); Economist at BNI Securities (2012–2013); Teaching Assistant at the Faculty of Economics, Graduate Programme in Economics, Universitas Indonesia (2011–2013); Wholesale Banking Credit Risk Analyst at PermataBank (2009–2012); and Teaching Assistant and Research Assistant at Universitas Indonesia (2005–2008).

Josua actively contributes economic analysis and commentary across various media platforms, and has received numerous accolades in recognition of his accuracy in forecasting macroeconomic indicators and the depth of his economic analysis. In 2023, he received the *Fortune Indonesia* 40 Under 40 Award and was honoured as Best External Trainer by Bank Indonesia Institute. In 2022, he was recognised as #1 Overall Best Forecaster for Indonesia by FocusEconomics, achieving top rankings across GDP growth, fiscal balance, and current account balance indicators. In 2024, he received the Best Economic Forecaster Awards 2024 – Real Sector as well as the #1 Fiscal Balance Forecaster award from FocusEconomics. In 2025, he was ranked #2 Best Forecaster for overall Indonesia macroeconomic indicators in the FocusEconomics Analyst Forecast Awards 2025, and in 2026, he achieved **the distinction of #1 Forecaster for Indonesia GDP in the 2026 FocusEconomics Analyst Forecast Awards**. He is also consistently recognised as a top forecaster in Bloomberg and Reuters polling for key Indonesian macroeconomic indicators, including GDP growth, inflation, and trade balance, and was named Most Accurate Economist of 2019 by the Department of Communications, Bank Indonesia, as well as the Most Quoted Economist in 2015, 2016, 2017, and the first half of 2018 by Maverick Indonesia.

Josua Pardede is currently a Doctoral Candidate in Management and Business at IPB University. He holds dual Master's degrees in Economics — from the University of Amsterdam and Universitas Indonesia — and a Bachelor of Science in Mathematics from Universitas Indonesia. In 2019, he completed a short course at the Paris School of Economics Summer School on *Micro-econometrics & Policy Evaluation*, and in the same year attended a short course at the University of Geneva Summer School on *Policy Evaluation: Impact and Treatment Effect Estimation*. In April 2024, he completed an executive education programme at Harvard Kennedy School on the topic of *Leading Green Growth: Economic Strategies for a Low-Carbon World*.
