MORNINGSSTAR RATING OVERALL

Registered Date	November 27, 2002
Investment Policy	The Fund has diversified investments in equity securities, hybrid financial instruments, fixed income instruments and/or deposits with percentages from 0 - 100% of the NAV. Nevertheless, the Fund may invest in structured note with characteristic of callable bond or puttable bond and embedded derivatives in such structured note.
Dividend Payment Policy	None
Types of investor	The investors who expect investments with long-term obligation for retirement income and can accept moderate to high risks expecting returns that the Fund will receive from dividends or gain from investments in securities as well as gain interest or gain from investments in fixed income instruments. Moreover, since this is a retirement mutual fund, investors should invest continuously for no less than 5 years until they reach the age of 55 in order to receive the tax benefits.
Risk Factors	Investor should study and understand the terms and conditions of RMF. The investment includes the risks of business, liquidity, market and credit, therefore investor needs to inquire additional information and request for the prospectus.
